

extended to all domestic flights of six hours or less, and, in 2000, the Wendell H. Ford Aviation Investment and Reform Act made all flights to and from the United States smoke-free. All of this was done even in the face of the strong tobacco industry's opposition because of the undeniable health impacts of cigarettes and cigarette smoke. Many flyers do not remember a time without "No Smoking" signs located throughout a commercial airplane.

In 2016, DOT issued its final rule to prohibit the use of e-cigarettes on U.S. airplanes. Legislation is necessary to make this update applicable to all airlines, and permanent. Under current FAA policy, battery-powered electronic cigarettes, vaporizers, vape pens, atomizers, and electronic nicotine systems are prohibited in checked baggage, and the FAA recommends that such devices only be carried in the aircraft cabins because of safety issues.

The current statutory smoking ban applies to the smoking of tobacco products on all scheduled passenger flights and on scheduled passenger flight segments on foreign air carriers in the U.S. and between the U.S. and foreign countries, unless a waiver is granted based on bilateral negotiations. The Banning the Use of Electronic Cigarettes on Airplanes Act of 2017 will amend the statutory definition of smoking in 49 U.S.C. 41706 to include the use of electronic cigarettes, defined as "a device that delivers nicotine or other substances to a user of the device in the form of a vapor that is inhaled to simulate the experience of smoking."

I urge my colleagues to join me in supporting this bill.

THE CHARITY TRANSPARENCY ACT

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 20, 2017

Mr. POE of Texas. Mr. Speaker, in 2001 the U.S. Government shut down the Texas-based Holy Land Foundation for its role in sending money to Hamas. But some of the Holy Land Foundation's employees are now working at 501(c)(3) "charities" that are leading the Boycott, Divestment and Sanctions movement in the U.S. against Israel.

Charitable American donors have no way of knowing of the questionable histories of some of the employees of these charities before they donate. My bill, The Charity Transparency Act, will require organizations applying for 501(c)(3) status to disclose if any of their key employees once worked for such organizations.

It would require no new paperwork and give the IRS no new authorities. It would just require one more disclosure on the already existing IRS documents.

It would also not penalize any of these charities. It would simply protect charitable American citizens and arm them with the information they need to make better informed decisions regarding where they donate their hard earned money.

I urge my colleagues to support this important bill.

And that's just the way it is.

RECOGNIZING RAUL ORTIZ

HON. BRADLEY SCOTT SCHNEIDER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 20, 2017

Mr. SCHNEIDER. Mr. Speaker, I include in the RECORD a letter from my constituent Raul Ortiz, age 8, to President Trump on World Refugee Day.

DEAR PRESIDENT DONALD TRUMP. Please receive a respectful greeting in my name and all the children and families that are part of LULAC's Child Refugees United for Freedom group. My name is Raul Ortiz and I come from Honduras. I want to express to you my fear for the situation of many refugees that have arrived to the United States of America seeking refuge. I must share with you our sad reality that we live in because our countries of origin are full of crime and violence. This is why our parents risked our lives to bring us to safety in the USA. Here we are safe and have hope to see another tomorrow.

Mr. President, we respectfully ask for your help, we ask you, a great man that is a responsible person dedicated to the USA, to please meet with us and listen to our stories and consider granting us protection.

Abraham Lincoln is my favorite president. He ran as president under the National Union Party which was the name used by the Republican party for the 1864 presidential election, during the Civil War. The Republican party at this time under President Lincoln was successful in abolishing slavery.

My favorite president Abraham Lincoln freed the slaves so I believe and have faith you President Trump can do the same thing with granting freedom to the Central American refugees just like me.

God Bless You President Trump and God Bless The USA!

Respectfully,

RAUL ORTIZ,
8 yrs old.
